petrakubler@yahoo.com or [925-586-0685](tel:925-586-0685)

The Legend of St. Martin

St. Martin's Day is one of the most popular saint's days in Germany. Martin of Tours was born in the 4th Century and started out as a Roman soldier, later becoming a monk. Because of his exemplary way of life he was later appointed Bishop of Tours. Many legends surround his life the most famous of which tells how he cut his cloak in half to share with a beggar who was dying in the cold.
